**The Lost Mary** James D. Tabor, 2025-09-30 A world renowned historian of early Christianity and ancient Judaism lifts the veil on the life of Mary revealing her revolutionary role as the matriarch of the Jesus movement Tabor restores her voice her faith her motherhood and most of all her humanity in this groundbreaking portrait that challenges everything we thought we knew about the origins of Christianity Reza Aslan author of Zealot Mary mother of Jesus is the best known and least known woman in history Revered and worshipped by millions she remains a figment of the imagination the ethereal subject of Raphaels and Botticellis bathed in heavenly light too virginal and pure to move among us But what about the real Mary The young Jewish woman and single mother of eight five boys and three girls The defiant citizen of Roman occupied Galilee who survived through one of the most dangerous periods of Jewish history an ancient game of thrones that claimed the lives of three of her sons Jesus and Simon by crucifixion James by stoning The historical Mary whose teachings and courageous example may in fact make her the first founder of what we now call Christianity This Mary has not only been lost to us she has been systematically erased over the past two millennia by a theological cultural and political program intent on removing her from the human realm and marginalizing her womanhood motherhood and Jewishness In The Lost Mary James D Tabor corrects the record laying out the results of his intensive textual and archaeological sleuthing over the past three decades including new evidence regarding Mary s genealogy which may be hiding in plain sight in the New Testament Tabor s quest for the historical Mary offers a transformative perspective on Jesus and his early followers and recovers the nature and essence of earliest Christianity
