In it a duke temporarily removes himself from governing his city state deputizing a member of his administration Angelo to enforce the laws more rigorously. Angelo chooses as his first victim Claudio condemning him to death because he impregnated Juliet before their marriage. Claudio's sister Isabella who is entering a convent pleads for her brother's life. Angelo attempts to extort sex from her but Isabella preserves her chastity. The duke in disguise eavesdrops as she tells her brother about Angelo's behavior then offers to ally himself with her against Angelo. Modern responses to the play show how it can be transformed by its reception in present culture to evoke continuing fascination. To some the duke the government seems meddlesome to others he is properly imposing moral standards. Angelo and Isabella's encounter exemplifies sexual harassment.
