

Abstract

A diagram of a circular building plan. It features a central circular core with a cross-like internal structure. Surrounding this core are concentric circles. Radial lines extend from the center to the outer edge. Along these radial lines, there are several small circular elements, possibly representing columns or structural supports. The diagram is labeled with 'A' at the top and bottom, and 'B' on the left and right sides. There are also some handwritten notes and arrows pointing to specific parts of the diagram.
