Media And Translation An Interdisciplinary Approach:

Media and Translation Dror Abend-David,2014 Over the last decade there has been a dramatic increase in publications on media and translation In fact there are those who believe that so much has been published in this field that any further publications are superfluous But if one views media and translation as anything ranging from film and television drama to news casting commercials video games web pages and electronic street signs it would seem that research in media and translation has barely scratched the surface The research in this field is shared largely by scholars in communication and translation studies often without

Media and Translation Dror Abend-David,2014-07-31 Over the last decade there has been a dramatic increase in publications on media and translation In fact there are those who believe that so much has been published in this field that any further publications are superfluous But if one views media and translation as anything ranging from film and television drama to news casting commercials video games web pages and electronic street signs it would seem that research in media and translation has barely scratched the surface The research in this field is shared largely by scholars in communication and translation studies often without knowledge of each other or access to their respective methods of scholarship This collection will rectify this lack of communication by bringing such scholars together and creating a context for a theoretical discussion of the entire emerging field of Media and Translation with a preference for theoretical work rather than case studies on translation and communications of various forms and through various media

(Multi) Media Translation Yves Gambier, Henrik Gottlieb,2001-01-01 This work considers the impact of technology on our command of foreign languages and the effects that our lack of linguistic skills have on technology even though modern communications technology implies multilingualism yet at the same time paves the way for the development of a lingua franca The challenges are not only industrial political social administrative judicial ethical they are also cultural and linguistic This volume is a collection of essays and the edited results of some of the presentations and debates from two international forums on the subject
