The fourth quarter is here again. With it comes promotions, extended hours and the end of the holiday season as a business. As you embark on another busy season, now is the time to remind yourself why you likely joined the gift place.

Gifting transcends words, celebrates someone dear, and creates memories. It's a form of expression, a way to say, "I know you, who you are and what you are." It's a tangible marker of life's milestones and celebrations. As a retailer, you are integral to making that happen for your communities — and that's worth celebrating in itself.

Here, with great delight, *Gift Shop[®] Plus* presents its inaugural Gift Guide. Within the next several pages, you'll find curated arrays for five recipients: the Bookworm, the Hostess with the Mostest, the Travellista, the Green Thumb and the Aesthetic.

Whether you are looking for merchandising inspiration this holiday season or inspiration for 2025, we hope this sparks something inside you that reminds you just how important you are to so many — especially at this time of year. **AM**
