**The Feedback Fix** Joe Hirsch,2017-04-18 Highly recommended by bestselling author Marshall Goldsmith The secret to giving better feedback isn't what we say it's what others hear Too often people hear about a past they can't control not a future they can That changes with feedforward a radical approach to sharing feedback that unleashes the performance and potential of everyone around us From managers and coaches trying to energize their teams to teachers hoping to motivate their students to parents looking to empower their children people from all walks of life want others to hear what they have to say Through a lively blend of stories and studies The Feedback Fix shows them how by presenting a six part REPAIR plan that spreads feedforward across boardrooms classrooms and even dining rooms Even with drastic changes in how we work and live the experiences we create for others joy or fear growth or decline success or failure still hang on the feedback we share The Feedback Fix makes a compelling argument for getting what we want by giving others what they need all while rebuilding the way we lead learn and live
