Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

pandemic this is an uplifting story about a priest who continues to an example of goodness and faith Ultimately The Saint Makers is the story of a journey of faith for two priests separated by seventy years for the two young athletes who were miraculously brought back to life with or without the intercession of the divine as well as for readers and the author trying to understand and accept what makes a person truly worthy of the Congregation of Saints in the eyes of the Catholic Church
