

PAY IT FORWARD:

YOUNG READERS EDITION

VOCABULARY BINGO

What a fun way to reinforce the language of literature! This activity will have students actively thinking about and discussing the words Catherine Ryan Hyde used to bring the characters of *Pay It Forward: Young Readers Edition* to life.

Because students only have to recognize the terms, not generate them, this activity is ideal for discussing both new and familiar vocabulary.

Two sets of game boards and calling cards are included - chapters 1-15 and 16-30.

30 different game boards are included in each set, allowing either small group or whole class participation.

The special calling cards, featuring fold over flaps to hide the answers, give you the option of using them in centers - small groups of students can play independently without a bingo caller.
