

Heating & Cooling

# Gas Furnace

**NOTE TO INSTALLER:**  
*This manual must be left  
with the equipment user.*

**USER:** *Please read all manuals and  
retain manuals for future reference.*

**⚠ WARNING:**  
**FIRE OR EXPLOSION HAZARD**  
Failure to follow safety warnings exactly could  
result in serious injury, death, or property  
damage.

— Do not store or use gasoline or other flammable  
vapors and liquids in the vicinity of this or any  
other appliance.

**— WHAT TO DO IF YOU SMELL GAS**

- Do not try to light any appliance.
- Do not touch any electrical switch; do not use  
any phone in your building.
- Leave the building immediately.
- Immediately call your gas supplier from a  
neighbor's phone. Follow the gas supplier's  
instructions.
- If you cannot reach your gas supplier, call the  
fire department.

— Installation and service must be performed by a  
qualified installer, service agency or the gas  
supplier.

**⚠ WARNING:**  
Carbon Monoxide is invisible, odorless, and toxic!  
Payne Heating and Cooling recommends a carbon  
monoxide alarm in your home, even if you do not own  
a gas appliance. Locate the carbon monoxide alarm in  
the living area of your home and away from gas appli-  
ances and doorways to attached garages. Follow the  
alarm manufacturer's instruction included with the  
alarm.

Do not use this furnace if any part has been  
under water. A flood-damaged furnace is  
extremely dangerous. Attempts to use the fur-  
nace can result in fire or explosion. A qualified  
service agency should be contacted to inspect the  
furnace and to replace all gas controls, control  
system parts, electrical parts that have been wet  
or the furnace if deemed necessary.
