The Emerald Handbook of Feminism, Criminology and Social Change Sandra Walklate, Kate Fitz-Gibbon, Jude McCulloch, Jane Maree Maher, 2020-07-02 Emerald Studies in Criminology Feminism and Social Change offers a platform for innovative engaged and forward looking feminist informed work to explore the interconnections between social change and the capacity of criminology to grapple with the implications of such change Future Practices of Citizenship in Asia and the West Gregory Bracken, Paul Rabé, Nurul Azreen Azlan, 2025-10-01 Future Practices of Citizenship

in Asia and the West investigates some of the greatest challenges facing society in the twenty first century including the struggle for rights and recognition by indigenous peoples women migrants and the young as well as the dampening effects some government responses to COVID 19 have had on artistic freedom and citizen participation The ill effects of digitisation on citizenship however are tempered by some more positive approaches from grass roots activities Perhaps the most acute challenge facing the world today is climate change an issue that can be both positive and negative depending on how we respond to it All the papers in this book share a people centred approach based around Michel Foucault s Care of the Self

Third Sector Organizations in Sex Work and Prostitution Isabel Crowhurst,Susan Dewey,Chimaraoke

Izugbara,2021-03-30 Third Sector Organizations in Sex Work and Prostitution is about sex work and prostitution third sector organizations TSOs non governmental and non profit organizations that provide support services to and advocate for the well being of people operating in the sex industries With a focus on three vast and extremely diverse regions Africa the Americas and Europe this book provides a unique vantage point that shows how interlinked these organizations histories and configurations are TSOs are fascinating research sites because they operate as zones of contestation which translate their understandings of sex work and prostitution into different support practices and advocacy initiatives This book reveals that these organizations are not external to normative power but participate in it and are subject to it conditioning how they can exist who they can reach out to where and what they can achieve Third Sector Organizations in Sex Work and Prostitution is a resource for scholars policymakers and activists involved in research on and work with third sector organizations in the fields of sex work and prostitution gender and sexuality and human rights among others *Transnational Humans and*

Transnationalisms in the Humanities Max Paul Friedman,Stefan Rinke,Núria Vilanova,2025-12-02 This unique anthology from scholars across the humanities and allied fields presents a vivid picture of the state of scholarship on transnationalism today Are we living in a transnational world The 900 percent rise in the use of transnationalism in publications since 1995 testifies to a defining phenomenon International migration has increased two thirds since 1980 and the global circulation of capital media and culture has intensified provoking nationalist political backlash worldwide This collection of studies on exile social science indigeneity gender activism music and dance gangs sex work narcofiction and cinema examines how transnational forces influence racial difference national identity immigrant exclusion state power and cultural expression in the Americas It explores how the physical and symbolic movement of humans and their artifacts shapes ideas and challenges accepted notions of national and conceptual boundaries among them By addressing the impact of digital technologies on spatialization by challenging emerging conventions on transnationalism and by fostering interdisciplinary exchange the book enriches our understanding of transnational lives and provides tools for exploring the transnational turn **Overcoming Challenges**

and Barriers for Women in Business and Education: Socioeconomic Issues and Strategies for the Future Etim, Alice S.,Etim, James,2021-06-18 Recently greater emphasis has been placed on the fact that women regardless of whether

they are located in developed or developing nations are still facing numerous challenges regarding their financial status education and independence As recent movements have highlighted such problems as unequal pay and sexual harassment and abuse it has become imperative that steps must be taken to analyze these problems and offer solutions to combat these inequalities that would improve women s lives and society as a whole Overcoming Challenges and Barriers for Women in Business and Education Socioeconomic Issues and Strategies for the Future is an essential reference source that highlights cross cultural perspectives obstacles and opportunities pertaining to the advancement of women s lives in society The chapters within the book explore a variety of concepts for building a bridge to women empowerment and improving their participation in the development of their respective societies Featuring research on topics such as global business higher education and gender discrimination this book is ideally designed for managers business professionals entrepreneurs social scientists policymakers gender studies researchers students and academicians looking for strategies that will help to empower women through the book s social justice model which acts as an underlying theoretical construct

Beckett's afterlives Jonathan Bignell,Pim Verhulst,Anna McMullan,2023-02-21 Despite the steady rise in adaptations of Samuel Beckett s work across the world following the author s death in 1989 Beckett s afterlives is the first book length study dedicated to this creative phenomenon The collection employs interrelated concepts of adaptation remediation and appropriation to reflect on Beckett s own evolving approach to crossing genre boundaries and to analyse the ways in which contemporary artists across different media and diverse cultural contexts including the UK Europe the USA and Latin America continue to engage with Beckett The book offers fresh insights into how his work has kept inspiring both practitioners and audiences in the twenty first century operating through methodologies and approaches that aim to facilitate and establish the study of modern day adaptations not just of Beckett but other multimedia authors as well

The Uses and Misuses of Human Rights G. Andreopoulos,Z. Arat,2014-11-19 This volume focuses on challenges to the effective and proper use of human rights and tries to identify through a series of case studies strategies and contexts in which human rights advocacy can work in favor of human rights as well as situations in which such advocacy may backfire or unintentionally cause harm
