Also invest in a decent tote bag. Some people think it's needless but it really makes a difference for the ratings and generally shows the customer you care more than the average courier

I'd agree! I personally don't use one, because when I get an order I check the items, and adjust my AC/heat and heated seats accordingly. I find it easier than putting things in/out of a bag and have asked friends who I have delivered to and they said it was hot n ready
