Ticket Scalping Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets *Arts America: Enjoying the Best Art Museums, Theater, Classical Music, Opera, Jazz, Dance, Film, and Summer Festivals in America* , 2014-03-17 Timesong is the inspirational story of a three legged coyote named j b who befriends Tom an autistic boy Following his father s death Tom retreats into a shell of isolation j b counters Tom s despair with an uplifting explanation of immortality For those trying to reconcile the loss of a loved one Timesong may be the key that opens the door to acceptance and peace of mind *Frommer's New York City 2002* Cheryl Farr Leas, 2001-08-29 As record setting numbers of tourists travel to New York City a comprehensive and updated guide to the city s myriad attractions offers practical and detailed coverage of the hottest and newest spots and includes tips that meet any budget Paper Clips You ll never fall into the tourist traps when you travel with Frommer s It s like having a friend show you around taking you to the places locals like best Our expert authors have already gone everywhere you might go they ve
