Here is an opportunity for you as a young adult to quickly learn how to deal with most aspects of life in the world outside your home and school environment To the average adult most of this information is common sense This is the information that adult role models want to give their children but do not have the time in their busy lives to do so As a young adult these

are the skills that you need to learn quickly in order to deal with life's hurdles. No one ever writes this information down for you until now. Even after reading this book, you will still make mistakes in your life, but hopefully, you have learned enough from this book that they are only small mistakes and do not cost you too much time or money.

*Exploring Korean Politeness Across Online and Offline Interactions* Mary Shin Kim, 2024-07-02

This open access edited volume brings together the latest research on Korean politeness. Korean politeness from multidisciplinary and multimodal perspectives across a broad range of different interactional contexts and communication platforms both online and offline. The volume examines how Korean language speakers construct, negotiate, and utilize politeness or impoliteness as discursive practices during daily interaction. The studies not only include intimate interactions between family members and friends but also institutional interactions between business vendors and customers, doctors and patients, talk show hosts and their guests, as well as politicians. The studies include discussions on the perception of Korean politeness by K-pop viewers and fans. The role of media is discussed and how it influences public discourse and speakers' perception and practice of Korean politeness. This text also examines interactions through instant text messages, chat boxes in livestreaming sites, online chat boxes with business vendors, and related communication channels. Although the disciplines and methodologies may vary, the studies are based on empirical research. This volume provides new insights through contributions from researchers of different disciplines, including communications, sociolinguistics, conversation analysis, discourse analysis, and pragmatics. It appeals to students and researchers in these fields.
