Payroll Accounting 2013 Solution Manual:

Accounting Principles Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2010-12-20 Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives. The United States Government Manual 2013 Office of the Federal Register (U.S.), Office of the Federal Register (U.S.) Staff, 2013-10-19. NOTE: NO FURTHER DISCOUNTS ON THIS ITEM. OVERSTOCK SALE. Significantly reduced list price while supplies last. The US Government Manual is known as the Official handbook of the Federal Government. This annual resource provides comprehensive information on the agencies of the legislative, judicial, and executive branches as well as quasi-official agencies, international organizations in which the United States participates, boards, commissions, and committees. Each agency's description consists of a list of principal officials, a summary statement of the agency's purpose and role in the Federal Government, a brief history of the agency including its legislative or executive authority, and a description of consumer activities, contracts, and grants, employment, and publications. A typical agency description includes a list of principal officials, a summary statement of the agency's purpose and role in the Federal Government, a brief history of the agency including its legislative or executive authority, a description of its programs and activities, and a Sources of Information section. This last section provides information on consumer activities, contracts, and grants, employment, publications, and many other areas of public interest. This annual reference book is an invaluable resource for anyone interested in the organization and function of the United States Federal Government agencies and quasi-agency organizations that may receive Federal appropriated funds for some of their operations.
