## **Online Boxology Thinking Working Outside Cubicle:**

**Boxology** Irving H. Buchen, 2015-12-14 Does every one inside the box think the same No differentiation No evolving levels Then too where do those who think outside of the box go Back to the original box to go through further iterations Not likely after all they have outgrown their box Like Adam they have tasted the fruit of knowledge and they are banished from the box of Eden What happens to them They fall into history and evolution Each generation reenacts the drama of their thinking birth and emergence from the fetal paradisiacal box Each one is doomed to further perhaps endless development Each one is blessed and cursed forever with restlessness with endless curiosity and with the haunting memory of their original and archetypal release from the box of limited thought Boxology Thinking and Working Inside Outside and Beyond the Box and the Cubicle offers the answers to these and other questions in the realm of education
