**Medusa's Web** Tim Powers,2016-01-19 In the wake of their Aunt Amity's suicide Scott and Madeline Madden are summoned to Caveat the eerie decaying mansion in the Hollywood hills in which they were raised But their decadent and reclusive cousins the malicious wheelchair bound Claimayne and his sister Ariel do not welcome Scott and Madeline's return to the childhood home they once shared While Scott desperately wants to go back to their shabby south of Sunset lives he cannot pry his sister away from this old house that is a conduit for the supernatural Decorated by bits salvaged from old hotels and movie sets Caveat hides a dark family secret that stretches back to the golden days of Rudolph Valentino and the silent film stars A collection of hypnotic abstract images inked on paper allows the Maddens to briefly fragment and flatten time to transport themselves into the past and future in visions that are both puzzling and terrifying As Madeline falls more completely under Caveat's spell Scott must fight to protect her But will he unravel the mystery of the Madden family's past and finally free them or be pulled deeper into their deadly web *Kill All Immortals* #4 Zack Kaplan,2024-10-30 A Viking

never vacates a fight wicked horrors and all for only a true warrior enters Valhalla Armed with the shocking truth about her family's immortality Frey questions her lack of agency in her family's past But when she is trapped by her father she faces the ultimate test to sacrifice her lover's life over her freedom Five issue series **Abstinence Cinema** Casey Ryan Kelly,2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 Abstinence Cinema comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from Easy A to Taken Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency *School Library Journal* ,2005
