*Revealing Britain's Systemic Racism* Kimberley Ducey, Joe R. Feagin, 2026-01-22 *Revealing Britain's Systemic Racism* applies an existing scholarly paradigm systemic racism and the white racial frame to assess the implications of the Duchess of Sussex's entry and place in the British royal family including an analysis that bears on visual and material culture The white racial frame as it manifests in the UK and internationally represents an important lens through which to map and examine contemporary racism and related inequities By questioning the long held but largely anecdotal beliefs about racial progressiveness in the UK the authors provide an original counter narrative about how Meghan's experiences as a black biracial member of the British royal family help illumine contemporary forms of white racism in Britain *Revealing Britain's Systemic Racism* identifies and documents the plethora of ways systemic racism continues to shape ecological and institutional spaces in the UK and beyond Here Kimberley Ducey and Joe R Feagin challenge romanticized notions of racial inclusivity by applying Feagin's long established theoretical work on systemic racism aiming to make a unique and significant contribution to literature in sociology and in various other disciplines The second edition of this book continues and updates the saga of Meghan's experiences underscoring the myriad ways systemic racism continues to shape spaces in the UK and beyond and especially detailing how most white Britons continue to cling to colorblind myths about their officially democratic country as the white mainstream British media deny the extensive racism that people of color still face **October 7** Asaf Romirowsky, Donna Robinson Divine, 2026-01-27 **October 7 The Wars Over Words and Deeds** is a collection of essays by scholars that seeks to analyze how words and imagery used to categorize the violence and savagery of the October 7th assaults by Hamas have been used to reframe the historical narrative of this century long conflict into an avalanche of antisemitism and cultural toxicity that has attempted to reshape American society impacting politics media and academia Edited by Jewish studies scholar and Middle East political scientist Donna Robinson Divine and Asaf Romirowsky historian and the executive director of both the Scholars for Peace in the Middle East SPME and the Association for the Study of the Middle East and Africa ASMEA the essays collected in **October 7 The Wars Over Words and Deeds** offer a mixture of data driven analysis with a careful account of narratives and ideology to measure how much of a footprint October 7 leaves on war and peace in the world going forward **October 7 The Wars Over Words and Deeds** exposes how Hamas savagery cast a destructive shadow not only over the men women and children caught on the battlefields of Gaza but also over the educators and journalists expected to explain why this atrocity occurred Despite its brutality Hamas won substantial support on campuses in the media and from an array of progressive movements This terrorist organization's attacks astonishing in their ambition can only be fully understood by examining not only what has happened to Israel Gaza and to the Middle East but also to a world forced to respond to domestic protests echoing and supporting Hamas savagery This distinctive volume illustrates the importance of engaging these complex issues with the rigors of scholarly tools Only with these skills can the

deeper story of October 7 be fully told An essay from an undergraduate in the volume clarifies not only the importance of teaching students how to think about the Israeli Palestinian Conflict not what to think about it but also that it can be done The book shows that unless the nightmare that began on this fateful day is thoroughly understood we will all be condemned to repeating and reliving it *Canadian Almanac and Directory 2021* Grey House Canada,2020-12 The Canadian Almanac Directory is the most complete source of Canadian information available cultural professional and financial institutions legislative governmental judicial and educational organizations Canada s authoritative sourcebook for almost 160 years the Canadian Almanac Directory gives you access to almost 100 000 names and addresses of contacts throughout the network of Canadian institutions
