Roger P Allen,2003-09-18 Scripts and Strategies in Hypnotherapy Volumes 1 and 2 have been combined to create the single most comprehensive source of scripts and strategies that can be used by hypnotherapists of all levels of experience to build a successful framework for any therapy session It covers inductions deepeners and actual scripts for a wide range of problems from nail biting to insomnia sports performance to past life recall pain management to resolving sexual problems There is a particularly comprehensive section on smoking cessation All scripts can be used as they stand or adapted for specific situations Provides an imaginative source of scripts covering the most commonly met cases For the newly qualified therapist it is a useful addition and for the more experienced it is a source of inspiration European Journal of Clinical Hypnosis

**Self-Hypnosis For Dummies** Mike Bryant,Peter Mabbutt,2010-12-01 Self Hypnosis For Dummies is your hands on guide to achieving your goals using hypnosis Whether you want to lose weight overcome anxiety or phobias cure insomnia stop smoking or simply stop biting your nails this guide has it covered The reassuring and straight talking information will help you harness the power of your mind and re train your subconscious to think in more healthy and constructive ways and to overcome specific issues such as anxiety and paranoia and break bad habits such as smoking The easy to follow style will guide you through every step of the process empowering you to take control and start making changes right away *Hypnosis and Hypnotherapy Patter Scripts and Techniques*

Calvin D. Banyan,2004 This is NOT just another book of scripts This set of hypnotic inductions and therapeutic scripts are Calvin Banyan s favorites He also gives you insider techniques that no hypnotherapy practice should be without Plus you will get new original scripts that you will not get anywhere else AND you will get the Must Have Universal Script that works for almost any issue that your client brings into your office Look oinside and see what you get This book is designed for the working professional In the first half

of the book every technique and script is explained in detail Each script has embedded instructions that lets you know exactly how to use it properly Then in the second half of the book you get the most important scripts in larger print and double spaced so that you can easily remove it and use it in your sessions These working scripts do not have the added instructions so that you can be sure that you are reading just what needs to be read to each client for each issue You will find that you use these patter scripts again and again And you will love the universal script that will work for most client s issues You have to use it to believe it *Scripts and Strategies in Hypnotherapy Volume II* Roger P. Allen,2001-02-23 This a further collection of scripts for hypnotherapists that may be used as they stand or adapted for specific situations For convenience it repeats a few favorite scripts from Volume I The situations covered in this volume include stress amnesia anxiety panic attacks depression low self esteem nail biting smoking cessation weight loss enuresis in children and dealing with bereavement
