

What Parents & Carers Need to Know about ROBLOX

WHAT ARE THE RISKS?

CONTACT WITH STRANGERS

Roblox allows children to interact with other players, as well as other users. This could expose children to risks such as harassment, violence, exploitation, harassment, grooming and more. Roblox has strict rules in place to protect children from such players, with strict reporting mechanisms. Roblox also has a dedicated helpline for parents to report any concerns about their child's safety – which predators can readily exploit the children directly.

PUBLIC SERVERS

Roblox has private or VIP servers, which allow people to play exclusively with their friends, but also covers many other users. Most Roblox players will instead be on a public server, which is open to all. Roblox has strict rules in place to protect users from predators. Roblox also has a dedicated helpline for parents to report any concerns about predators, therefore, with your children more at risk of contact from others.

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play the game, which totals 50 million players. Roblox offers a huge amount of creative freedom, as lets players create their own gaming experiences with the Roblox studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

HOT

ONLINE DATING

Roblox has a dedicated feature called "Datings", which allows users to connect with other users. Any user can join a dedicated online dating group, which the intention of introducing audiences to other users – and eventually meet in person. Such groups are often for adults, but with children, there is a risk that children will be targeted. Roblox has strict rules to prevent predators from joining these groups, which continue existing specifically for adults.

IN-APP PURCHASES

Roblox is continually free to download and play, but it does have in-app purchases. These are designed to make purchasing items from other gamers. For example, using real money, you can make your in-game character look like a star. Roblox has strict rules in place to prevent children from making purchases, and ensure purchases are for their servers alone, without a cost.

Advice for Parents & Carers

SET PARENTAL CONTROLS

Roblox comes with several parental control options, which can be exploited well and the game's official website is the best to enable these controls. Roblox also has a dedicated helpline for parents to report any concerns about predators. Roblox also has a dedicated helpline for parents to report any concerns about predators.

MONITOR SPENDING

If they don't understand themselves using real money, it's easy for children to accidentally spend a ridiculous amount in the game. Using parental controls or parental locks can help prevent this. Roblox also has a dedicated helpline for parents to report any concerns about predators.

Meet Our Expert

Chris Groom (aka: Luuuniverse) has worked on animation and journalism in the gaming industry, specialising in providing reviews, which have been used in many different publications, including his book 'Gaming: The Essential Guide' (published by Cambridge University Press) and his book 'Gaming: The Essential Guide' (published by Cambridge University Press) and his book 'Gaming: The Essential Guide' (published by Cambridge University Press).

DISABLE PRIVATE MESSAGING

Roblox's private messaging function indicates that most children being exploited by predators online may not need to speak with a predator directly, including the "buddy" function, which allows you to receive messages from anyone who hasn't been added or is added to your child's account.

PRIVATE SERVERS

It is vital that parents encourage their children to play Roblox online with, paying for VIP servers or their own private servers. The risk of exploitation from strangers, both online, in-person, and through a dedicated messaging app, is too great. Encourage your child to use their own, or a group account to communicate, it's important to keep children regularly about who they are playing the game with.

DEALING WITH STRANGERS

As your child is their own age, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are trying to communicate with them, and how they should never communicate with older people online, only with people their own age.
