*Hashtags and Trade Marks* Nazanin Aslani, 2024-02-12 This timely book examines the growing importance of hashtags both in online culture and within our digital society. Conducting a comparative analysis of legal strategies within the EU Germany and the United States it aims to ascertain whether a fair balance currently exists between freedom of expression and competition in the treatment of hashtags as trade marks.

*The Everything Token* Steve Kaczynski, Scott Duke Kominers, 2024-01-23 A Harvard Business School professor and a16z crypto research partner and a career marketer and Web3 entrepreneur demystify the coming digital revolution showing how NFTs will transform our online and offline interactions. NFTs aren't just pictures on the internet or a fad that has come and gone. Rather they're a new technology for creating digital assets and providing irrefutable proof of ownership. NFTs open up markets that have never before existed and are already revolutionizing commerce and brand building at everything from hot startups to Fortune 500 companies. Kominers and Kaczynski have created a framework that explains what NFTs are why they're valuable and how businesses can leverage them to build highly engaged and intensely loyal communities around their products and brands. Through original research and industry experience Kominers and Kaczynski describe the possibilities of this new digital frontier with clarity and rigor. *The Everything Token* is the essential primer on this innovation that has the potential to transform all aspects of business.

*Digital Play Therapy* Jessica Stone, 2021-12-28 The newly updated *Digital Play Therapy* focuses on the responsible integration of technology into play therapy during and after the COVID 19 pandemic. With respect for the many different modalities and approaches under the play therapy umbrella this book incorporates therapist fundamentals, play therapy tenets and practical information for the responsible integration of digital tools into play therapy treatment. All chapters have been updated and new chapters discuss strategies for using teletherapy effectively during and beyond the pandemic. This revised edition provides a solid grounding both for clinicians who are brand new to the incorporation of digital tools as well as for those who have already begun to witness digital play therapy's power.
