*The Everything Token* Steve Kaczynski,Scott Duke Kominers,2024-01-25 NFTs cause excitement and skepticism How much value can a token hold What drives this value To properly appreciate NFTs we must first understand what they actually are how they work and in what contexts they are used The Everything Token is an essential primer on NFTs non fungible tokens explaining their use purpose and how businesses can create and exploit them to develop new product lines building customer loyalty and increased revenues at the same time Together the authors have spent much of the past few years embedded in NFT communities and helping launch NFT products As self described beta testers of this brand new technology they ve seen its power first hand and aim to educate others on the importance uses and purpose of NFT and surrounding ever evolving technologies Demystifying the complexities two experts in NFTs show why we should take NFTs much more seriously than their reputation as fun digital art collectibles suggest They have a wider variety of uses than one may realise Gripping and accessible this book provides a guide and an insight into what can often be a hard to grasp area of technology

**Communication in a Civil Society** Shelley D. Lane, Ruth Anna Abigail, John Casey Gooch, 2024-03-06 Using the concept of civility as the major theme this fully updated second edition offers a unique and alternative way to teach and learn about communication. The book brings together discrete areas that explore the fundamentals of communication and intrapersonal communication, interpersonal communication, small group communication, and public speaking. Every chapter includes theories, concepts, and examples that allow students to use civil and ethical communication skills in their personal relationships in collaboration with colleagues and in giving public speeches and professional presentations. This new edition highlights advances in and concepts related to mediated and technology-based communication such as chatbots, technostress, and dating apps, and shows how students can engage in civil face-to-face and mediated interaction. Additionally, each chapter includes a real world incident that students are asked to analyze in terms of specific chapter information and skills related to civility. *Communication in a Civil Society* is an ideal textbook for Introduction to Communication, Interpersonal Communication, and Public Speaking courses.
