Management Third Edition provides an in depth picture of the challenging and rewarding role of the health and fitness club manager. Leading experts in the fitness industry share their insights in a practical manner making this text the most authoritative and field tested guide to fitness management success. Whether they are providing service to members ensuring club safety and profitability or motivating staff to perform at their best health and fitness club managers need the right mix of skills and flexibility to support the success and continued growth of their clubs. This third edition addresses recently emerging topics and offers practical tools that will help health club managers succeed. Opening chapter scenarios set the stage and put readers in the shoes of a club manager. New case studies emphasize the importance of thoroughly understanding legal responsibilities and obligations. Best practices and tips for managing social media pages give the reader practical ways to maximize marketing efforts and grow the business. Reproducible forms save time in creating templates for common agreements and records such as a membership agreement, an equipment maintenance form and a guest registration and exercise liability waiver. To further support its applied approach, *Health Fitness Management Third Edition* incorporates updated research and industry trends as it leads readers through key managerial development areas. It starts with organizational fundamentals and the payoffs of thoughtful staff recruitment, training, development and retention. It then shifts to methods for attracting and retaining members while also increasing profitability with the right mix of products and services. Finally it reviews operational and facility management functions covering everything from reading financial statements and maintaining equipment to understanding and managing risk. To aid with retention and for easy reference, The Bottom Line segments sum up the key points to emphasize the most important topics in the text. Learning objectives, key terms and a list of references round out each chapter to foster a better learning experience. Instructors will have access to an instructor guide which contains additional practical assignments and a test package for gauging student comprehension.

Written by industry experts, *Health Fitness Management Third Edition* is the fundamental resource for the management and operation of health and fitness facilities and programs. Enhanced with practical scenarios and applied knowledge, it provides a solid foundation for students preparing for a management career in the health and fitness industry and it serves as an essential reference for professionals already enjoying the challenges and opportunities of club management.
