*Impact of Global University Ranking Systems on Developing Countries* Onyancha,

Omwoyo Bosire,Tella, Adeyinka,2023-06-01 The emotive discourses on the subject of university rankings are directly linked

to the effect of such rankings on the performance of universities throughout the world It has been observed that the top

ranked universities attract major financial commitments from the industry the best students quality researchers and a wide

range of other quality endowments such as equipment libraries and laboratories It is not surprising that the ranking of

universities has gained popularity and become a significant factor shaping not only the reputation of universities but also the

performance of said institutions around the world including the developing countries Impact of Global University Ranking

Systems on Developing Countries presents a collection of perspectives from scholars and other stakeholders on the impact of

the global ranking systems on developing countries The book is an additional resource for discussion and discourse as far as

the global university ranking systems are concerned and opens new frontiers for further research Covering key topics such

as assessment ethics and academic freedom this premier reference source is ideal for administrators policymakers
