### **Evaluating Police Uses of Force**

Seth W. Stoughton,Jeffrey J. Noble,Geoffrey P. Alpert,2021-02-01 Provides a critical understanding and evaluation of police tactics and the use of force Police violence has historically played an important role in shaping public attitudes toward the government Community trust and confidence in policing have been undermined by the perception that officers are using force unnecessarily too frequently or in problematic ways The use of force or harm suffered by a community as a result of such force can also serve as a flashpoint a spark that ignites long simmering community hostility In Evaluating Police Uses of Force legal scholar Seth W Stoughton former deputy chief of police Jeffrey J Noble and distinguished criminologist Geoffrey P Alpert explore a critical but largely overlooked facet of the difficult and controversial issues of police violence and accountability how does society evaluate use of force incidents By leading readers through answers to this question from four different perspectives constitutional law state law

administrative regulation and community expectations and by providing critical information about police tactics and force options that are implicated within those frameworks Evaluating Police Uses of Force helps situate readers within broader conversations about governmental accountability the role that police play in modern society and how officers should go about fulfilling their duties [Police Officer Exam New York City Angelo Tropea,2015-04-16 NEW Book](#) to help you prepare for the NYC Police Officer Exam Seven reasons why you should study with this book 1 This book was prepared by Angelo Tropea a former Court Officer NYS Courts 29 year peace officer and a bestselling author of exam preparation books He has more than 30 years experience in preparing candidates for exams 2 The book covers in detail the following 9 types of questions and excludes material not relevant to the NYC Police Officer Exam such as general discussions about civil service and long discussions about benefits which do not help you attain a higher score Written Comprehension Written Expression Memorization Problem Sensitivity Deductive Reasoning Inductive Reasoning Information Ordering Spatial Orientation Visualization3 The book contains valuable explanations and hints for each type of question all based on experience and live classes conducted in prior years 4 Carefully crafted exercises with answers explained are provided for practice and to increase proficiency and confidence 5 Two comprehensive practice exams are provided with the answers explained 6 The large format of this book 8 5 X 11 inches maximizes the clarity of informational tables street maps and other images 7 The price of this book is a small amount to invest for such a large return Study with this valuable book and prepare for success

**NYPD Battles Crime** Eli B. Silverman,1999 In the last five years New York City has experienced the nation's most dramatic reduction in crime While the New York Police Department is receiving extensive publicity and praise as the key agent for the sharp decline many experts downplay the NYPD's role arguing instead that prevailing social economic and demographic conditions are the primary reasons for the unprecedented drop in crime rates This timely book informs the debate by detailing how innovative strategies adopted in 1994 by then police commissioner William Bratton had the immediate and sustained effect of lowering incidents of crime in every city precinct Eli B Silverman begins his study with a historical review of the evolution of police reform movements in New York City showing that the achievements and failures of earlier external and internal initiatives formed the foundation for today's re engineered NYPD Drawing on privileged access to police documents and meetings he then examines how the dynamic interaction of specific strategic organizational and managerial changes redefined the approach to policing transforming the department from a reactive to a proactive force In particular Silverman focuses on Compstat a sophisticated computer program that compiles crime statistics as the crucial mechanism for linking the development of new policies with effective tactics to control crime The up to date and accurate information provided by Compstat drives twice weekly crime strategy meetings that ensure essential planning coordination evaluation and accountability NYPD Battles Crime is a fascinating story of organizational change innovation and continuity
