Google Drive Last 90 Days:

Data Exploration and Preparation with BigQuery Mike Kahn, 2023-11-29 Leverage BigQuery to understand and prepare your data to ensure that it's accurate, reliable and ready for analysis and modeling. Key Features: Use mock datasets to explore data with the BigQuery web UI, bq CLI and BigQuery API in the Cloud console. Master optimization techniques for storage and query performance in BigQuery. Engage with case studies on data exploration and preparation for advertising, transportation and customer support data. Purchase of the print or Kindle book includes a free PDF eBook.

Description: Data professionals encounter a multitude of challenges such as handling large volumes of data, dealing with data silos and the lack of appropriate tools. Datasets often arrive in different conditions and formats, demanding considerable time from analysts, engineers and scientists to process and uncover insights. The complexity of the data life cycle often hinders teams and organizations from extracting the desired value from their data assets. *Data Exploration and Preparation with BigQuery* offers a holistic solution to these challenges. The book begins with the basics of BigQuery while covering the fundamentals of data exploration and preparation. It then progresses to demonstrate how to use BigQuery for these tasks and explores the array of big data tools at your disposal within the Google Cloud ecosystem. The book doesn't merely offer theoretical insights; it's a hands-on companion that walks you through properly structuring your tables for query efficiency and ensures adherence to data preparation best practices. You'll also learn when to use Dataflow, BigQuery and Dataprep for ETL and ELT workflows. The book will skillfully guide you through various case studies demonstrating how BigQuery can be used to solve real-world data problems. By the end of this book, you'll have mastered the use of SQL to explore and prepare datasets in BigQuery, unlocking deeper insights from data. What you will learn: Assess the quality of a dataset and learn best practices for data cleansing. Prepare data for analysis, visualization and machine learning. Explore approaches to data visualization in BigQuery. Apply acquired knowledge to real-life scenarios and design patterns. Set up and organize BigQuery resources. Use SQL and other tools to navigate datasets. Implement best practices to query BigQuery datasets. Gain proficiency in using data preparation tools, techniques and strategies.

Who this book is for: This book is for data analysts seeking to enhance their data exploration and preparation skills using BigQuery. It guides anyone using BigQuery as a data warehouse to extract business insights from large datasets. A basic understanding of SQL, reporting, data modeling and transformations will assist with understanding the topics covered in this book.

Google Drive Last 90 Days Introduction

In today's digital age, the availability of Google Drive Last 90 Days books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Google Drive Last 90 Days books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Google Drive Last 90 Days books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Google Drive Last 90 Days versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Google Drive Last 90 Days books and manuals for download are incredibly

convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Google Drive Last 90 Days books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Google Drive Last 90 Days books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Google Drive Last 90 Days books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Google Drive Last 90 Days books and manuals for download and embark on your journey of knowledge?
