

# Before You Read

## *A Midsummer Night's Dream Act 4*

### FOCUS ACTIVITY

---

Think of a movie or book in which characters have an unusual experience that makes them shake their heads and ask, "Did that really happen?"

#### **Dream List**

Working in a small group, list stories, novels, movies, and television shows in which a character has an amazing experience and then wakes up to realize it was just a dream. Then compare your lists with the ones compiled by other groups.

#### **Setting a Purpose**

As you read, note the characters who explain their behavior by saying they were dreaming or under a spell.

### BACKGROUND

---

#### **Did You Know?**

A curious feature of *A Midsummer Night's Dream* is the casual way in which Shakespeare mixes his settings. Whereas some of his fairies are beings from Celtic and Anglo-Saxon folklore, and the flowers and seasons he describes belong to the English countryside, Theseus and Hippolyta inhabit the world of ancient Greece. In this act, the royal lovers refer to Sparta, an ancient Greek city; Thessaly, a region of Greece; and Crete, a Greek island. Then, amusingly, Theseus mentions St. Valentine, a Christian martyr who lived and died long after the era in which Theseus would have lived.

#### **Falling Action**

After the **climax**, or turning point, of a drama has been reached, most of the suspense is over. The highest emotional peak has been reached, and the major conflict has been encountered. Still, the audience likes to see all of the loose ends tied up. That occurs during the part of the plot known as the **falling action**. In *A Midsummer Night's Dream*, the falling action mostly takes place in act 4.

### VOCABULARY PREVIEW

---

**discourse** [dis'kōrs] *n.* conversation

**enmity** [en'mə tē] *n.* hostility

**paragon** [par'ə gon'] *n.* model of perfection
