Memes are bedrock to the strategy of conspiracists such as Alex Jones provocateurs like Milo Yiannopoulos white nationalists like Nick Fuentes and tacticians like Roger Stone While the media and most politicians struggle to harness the organizing power of the internet the redpill right weaponizes memes pushing conspiracy theories and disinformation into the mainstream to drag people down the rabbit hole These meme wars stir strong emotions deepen partisanship and get people off their keyboards and into the streets and the steps of the US Capitol Meme Wars is the first major account of how Stop the Steal went from online to real life from the wires to the weeds Leading media expert Joan Donovan PhD veteran tech journalist Emily Dreyfuss and cultural ethnographer Brian Friedberg pull back the curtain on the digital war rooms in which a vast collection of antiesablishmentarians bond over hatred of liberal government and media Together as a motley reactionary army they use memes and social media to seek out new recruits spread ideologies and remake America according to their desires A political thriller with the substance of a rigorous history Meme Wars is the astonishing story of how extremists are yanking our culture and politics to the right And it s a warning that if we fail to recognize these powerful undercurrents the great meme war for the soul of America will soon be won

Smat,2023-11-21 Prepare yourself for the ultimate expos of the retail trading revolution The sea shanties YOLOs and red bandanas were just the beginning Did you know Robinhood didn t actually initiate the infamous trading halt Or why Redditors refer to 2021 as the sneeze rather than the squeeze And what if I told you that some shares in your brokerage account might be counterfeits If not buckle up Witness firsthand the real and utterly ludicrous hivemind that brought Wall Street to its knees in January 2021 and discover why GameStop was only the beginning of an even more unprecedented retail contagion one that will challenge everything you think you know about our markets all over again If the meme mania of 2021 drew blood from Wall Street what follows is the Shakespearean realization that Reddit s blade was in fact poisoned In a digital world where information is frequently deleted revised and buried accurately piecing together events is nearly impossible While other authors and journalists have understandably struggled Rob Smat offers a clear and unfiltered account having witnessed every twist of the GameStop phenomenon firsthand Power to the Players is as much an unabridged history of the GameStop sneeze as it is a roadmap of how retail traders regrouped when everyone else thought the story had ended in calamity The truest of diamond hands never sold and their power has only grown stronger since Before Redditors were merely a nuisance to the status quo Now they re poised to upend it completely    **Building Supply News** ,1953 Vols for 1979 include annual buyers guide    **Science** ,1891 Vols for 1911 13 contain the Proceedings of the Helminothological Society of Washington ISSN 0018 0120 1st 15th meeting    **Parliamentary Debates, House of Representatives, Weekly Hansard**
