playful to appeal to the new generation of baby boomers In Sixties House mid century modern enthusiast Catriona Gray has drawn on the magazine's peerless archive curating the best illustrations and photographs to show how the use of colour pattern homewares and furniture evolved through the decade The homes of key tastemakers are featured including Bridget Riley Mary Quant David Mlinaric Barbara Hulanicki of Biba and David Bailey The second title in the new Decades of Design series House Garden Sixties House is required reading for mid century modern enthusiasts collectors and decorators in search of inspiration from the most influential homes of the past **Ideal homes, 1918-39** Deborah Sugg Ryan, 2018-03-06 This book explores the aspirations and tastes of new suburban communities in interwar England for domestic architecture and design that was both modern and nostalgic in a period where homeownership became the norm It investigates the ways in which new suburban class and gender identities were forged through the architecture design and decoration of the home in choices such as ebony elephants placed on mantelpieces and modern Easiwork dressers in kitchens Ultimately it argues that a specifically suburban modernism emerged which looked backwards to the past whilst looking forward to the future Thus the inter war ideal home was both a retreat from the outside world and a site of change and experimentation The book also examines how the interwar home is lived in today It will appeal to academics and students in design social and cultural history as well as a wider readership curious about interwar homes Uniform Trade List Annual, 1989 Essential Modernism Dominic Bradbury, 2018 A beautiful and expansive look at Modernist design representing iconic works including architecture interiors graphic design and product design This wide ranging survey showcases and analyzes the work of dozens of Modernist designers from those who established the International Style in the 1920s and 30s through the groundbreaking practitioners of the mid 1940s Modernism with its powerful aesthetic and compelling philosophical framework is the twentieth century's most defining movement in design and the applied arts International architects and designers such as Alvar Aalto Marcel Breuer Eileen Gray Le Corbusier Ludwig Mies van der Rohe and Frank Lloyd Wright revolutionized the built world and how we live in it Their work rejected historical precedents prioritizing function over tradition and their experimentation with new forms materials and techniques transformed our living spaces and lifestyles and fundamentally changed the way we think about design This lively and accessible volume includes sections on furniture lighting ceramics and glass industrial and product design graphic design and posters houses and interiors as well as profiles of more than seventy influential creators The encyclopedic scope facilitates unexpected connections and offers new insights into the movement Complete with essays by accomplished scholars and subject specialists over 600 illustrations and an illustrated A to Z of designers architects and manufacturers this book is unparalleled and unprecedented in scope Essential Modernism is an indispensable resource for scholars and students as well as for the designer's studio the collector's desk and the enthusiast's library The School Executive, 1957 Modernist Design Complete Dominic Bradbury, 2018 The powerful aesthetic and philosophical framework that modernism ushered in during the early part of the 20th century

revolutionized the built world transformed our living spaces and lifestyles and fundamentally changed the way we think about design As they experimented with new forms materials and techniques modernist designers rejected historical precedents to prioritize function over history and tradition This ambitious survey brings together all facets and all scales of design in a comprehensive volume that presents the vast breadth of both towering and lesserknown figures revealing unexpected connections and new insights Through sections on furniture lighting glass ceramics textiles industrial and product design graphic design and posters architecture and interiors and through profiles of nearly a hundred influential creators including iconic figures such as Bruno Mathsson Charlotte Perriand and L szl Moholy Nagy as well as architects Alvar Aalto Le Corbusier Eliel Saarinen and Walter Gropius the book s scope is unprecedented Complete with specially commissioned essays by established academics and subject specialists and with nearly 650 illustrations the majority in colour this book is set to become the definitive reference for a generation equally indispensable for the designer s studio the library shelves or the collector s desk      *Bookman's Manual* Bessie Graham,Hester R. Hoffman,1958      **For the Love of White** Chrissie Rucker & The White Company,2019-09-05 A capsule of calm this ode to pale interiors by The White Company s founder Chrissie Rucker is testament to the power of neutrals House Garden The thing about white is that it goes with everything it is a canvas for life whoever you are and whatever your tastes You just can t beat it Chrissie Rucker Whether you live in a tiny city apartment a rambling country cottage or an elegant town house For the Love of White offers the definitive guide to creating a home with white and neutral tones Published to mark the 25th anniversary of iconic brand The White Company the book explores 12 inspirational homes in varied decorating styles but unified by a passion for a white For each location The White Company founder Chrissie Rucker highlights clever styling details that the reader can try out in their own home with calming versatile and beautiful results Illustrated with specially commissioned photography by leading interiors photographer Chris Everard and organized into three sections Country Town and Coast the book provides both the advice and the inspiration needed to transform your home      *Listening to Stone* Hayden Herrera,2015-09-21 Throughout the 20th century Isamu Noguchi was a vital figure in modern art From interlocking wooden sculptures to massive steel monuments to the elegant Akari lamps Noguchi became a master of what he called the sculpturing of space Combining the personal correspondence of and interviews with Noguchi and those closest to him from artists patrons assistants and lovers Herrera has created an authoritative biography of one of the twentieth century s most important sculptors She locates Noguchi in his friendships with such artists as Buckminster Fuller and Arshile Gorky and in his affairs with women including Frida Kahlo and Anna Matta Clark With the attention to detail and scholarship that made her biography of Gorky a finalist for the Pulitzer Prize Herrera has written a rich meditation on art in a globalized milieu *Listening to Stone* is a moving portrait of an artist compulsively driven to reinvent himself as he searched for his own essence of sculpture      **Complete Denture Prosthodontics** John J. Sharry,1974      **Reader's Adviser and Bookman's Manual** ,1958      *Taste* Drew

Plunkett, 2020-03-19 Democratic in intention and approach the book will argue that the home interior as independently created by the amateur householder offers a continuous informal critique of shifting architectural styles most notably with the advent of Modernism and the design mainstream Indeed it will suggest that the popular increasingly exerts an influence on the professional Underpinned by academic rigour but not in thrall to it above all this book is an engaging attempt to identify the cultural drivers of aesthetic change in the home extrapolating the wider influence of taste to a broad audience both professional and trade In so doing it will explore enthralling territory money class power and influence Illustrated with contemporary drawings and cartoons as well as photos the book will not only be an absorbing read but an enticing and attractive object in itself
