New York Not Only Buildings Architecture Tools:

Innovative tools and design strategies. The case of Eclectic Architecture in Buenos Aires Garrido, Federico Andrés, 2023-05-26 The research deals with a question about Architecture and its design strategies combining historical information and digital tools Design strategies are historically defined they rely on geometry context building technologies and other factors The study of Architecture s own history particularly in the verge of technological advancements like the introduction of new materials or tools may shed some light on how to internalize digital tools like parametric design and digital fabrication

Tools of the Imagination Susan Piedmont-Palladino, 2007 Covering 250 years of design tools and technologies this book reveals how architects have produced the drawings models renderings and animations which show us the promise of what might be built
