

The background of the cover features a complex geometric design. It includes a perspective grid that recedes into the distance. A prominent red, curved surface, possibly representing a manifold or a specific region in a high-dimensional space, is shown. White lines, both solid and dashed, intersect and curve across the scene, suggesting paths or boundaries. Several red ellipsoids are placed at various points, with white arrows indicating a sequence of steps or a trajectory between them, likely representing an optimization process.
