Media/Impact, 2010 Media Impact Biagi, 1995-01-01 Media - impact : an introduction to mass media. [Book]
Shirley Biagi, 1994 Media/Impact Shirley Biagi, 2000-09 Media / Impact Shirley Biagi, 2016 **Media/Impact + Mindtap Communication 1 Term 6 Month Printed Access Card**, Media/impact Shirley Biagi, 1999 Global Perspectives on the Impact of Mass Media on Electoral Processes Aririguzoh, Stella Amara, 2021-03-18 The media play active roles in politics with different media channels serving as bridges that link the politicians and citizens together It is clear that what the media emphasize as important may be seen as such by the public Hence it is likely that the media may impact voter decisions during electoral processes and even during the elections As such it is imperative that research is collected on the impact of the media and the role it plays in strengthening party loyalty improving public knowledge on elections and swaying apathetic citizens to become involved in the electoral process Global Perspectives on the Impact of Mass Media on Electoral Processes provides relevant theoretical frameworks and research findings that evidence the impact of the media in specific elections in different countries around the world The book supports professionals who want to improve their understanding of the strategic roles that the media play in electoral politics as well as political candidates who may want to know if their heavy expenditures in paying the media to carry their political messages bring in returns on their investment Covering topics that include social media political cartoons and media influence this book seeks to provide fresh insights on the media's

impact on elections whether at the national regional or local levels It is ideal for politicians campaign managers media analysts government officials professionals researchers students academicians and individuals involved in electoral management political parties advertising agencies and marketing companies *Media Today* Joseph Turow, 2011-09-22 Media Today puts students at the center of the profound changes in the twenty first century media world from digital convergence to media ownership and gives them the skills to think critically about what these changes mean for the role of media in their lives Media Today Fourth Edition is built around four key concepts A media systems approach allows students to understand the interconnected cultural political and economic forces that shape media they encounter every day Unique insights into media trends give students an insider's perspective on how media industries are responding to changes from globalization to social networking Focus on digital convergence shows in each chapter how digital media is transforming traditional mass media such as newspapers magazines and television A media literacy goal encourages and builds critical skills to make students more informed and engaged citizens in our media driven society Completely revised with updated examples new case studies and new online video resources the 4th edition of Media Today connects the latest trends debates and technologies to the history of media highlighting the impact and meaning of today's changes to the media landscape especially how traditional industries have blurred together with digital convergence Additional learning resources including a new set of online video resources interactive quizzes study resources and instructor guides are available on the free companion website at www.routledge.com/textbooks/mediatoday4e

Converging Media John Vernon Pavlik, Shawn McIntosh, 2016 Placing convergence at the center of the discussion this text uses the technologies we employ every day to explain our current media environment and to project where we might be headed Rather than discussing each media industry in isolation Converging Media shows how each branch of media print visual and audio relates to and influences the others

The Media in Your Life Jean Folkerts, Stephen Lacy, 2001 With a strong emphasis on media convergence throughout this book helps readers develop a system wide view of the interacting social historical economic and technological forces at work in today's rapidly evolving mass media Written by two highly regarded scholars and teachers this book goes beyond other textbooks to help readers understand where how and why they fit into the contemporary media environment Too often mass communication texts rely only on popular publications or on academic research In this interactive text they have combined the concrete practice of journalism with empirical research enabling students to comprehend the impact of the dynamic media that are an integral part of our lives today Folkerts and Lacy guide readers through today's whirlwind of mass communication by providing them with the information and critical thinking skills necessary to consider objectively the media and its roles in their lives For anyone interested in gaining knowledge of the media
