### *Tips for Hospice Providers*

*(Revised July 2013)*

**Revisions appear in *italics*.**

---

#### Advance Beneficiary Notice of Non-coverage (ABN)

##### **ABN details:**

- Providers furnishing services that Medicare is **not** expected to cover, must issue an ABN.
- The ABN and the expedited determination notice must be issued together only when all covered care is being terminated for coverage reasons and the beneficiary is expected to continue receiving non covered care.
- **No ABN is required if no further services will be provided.**<sup>1</sup>

##### **Reasons for hospice providers to issue the ABN:**

The three situations that would require issuance of the ABN to a hospice patient are:

1. Ineligibility because the beneficiary is not "terminally ill" (defined in §1879(g)(2) of the Act)
2. Specific items or services that are **billed separately** from the hospice payment, such as physician services, are not reasonable and necessary (defined in either §1862(a)(1)(A) or §1862(a)(1)(C))
3. The level of hospice care is determined to be not reasonable or medically necessary (defined in §1862(a)(1)(A) or §1862(a)(1)(C)) specifically for the management of the terminal illness and/or related conditions.<sup>2</sup>
  - o *When a patient who is at the general inpatient (GIP) level of care no longer qualifies for that level of care, the provider must transition the patient to another care environment and cease billing Medicare for the GIP daily rate. If the patient/ representative refuse to leave the inpatient unit at this time, the provider should issue an ABN to the patient/ representative for the difference between the general inpatient daily rate and the routine home care daily rate.*
