West's Federal Practice Digest 4th, 2003 **Sports and the Law in Canada** John Barnes, 1988 The object of this second edition of the book as with the first is to provide an introductory account of Canadian sports law that discusses legal and administrative aspects in the context of the wider social economic and other issues Barnes attempts to cover a wide breadth of topics and therefore each one is dealt with summarily The book is written like a textbook with extensive footnoting and is essentially a compilation of case results facts and other peoples opinions reduced to a series of short summaries in various areas The book rarely devotes more than a sentence or paragraph at most to any particular issue or discussion As an introduction to sports law in totality it succeeds admirably This book is particularly useful in that it is written from a Canadian perspective While the book contains expected chapters on criminal law compensation for sports injuries organization of professional leagues and legal regulation of sports it is very helpful in its discussion of amateur sports organizations and government policies which relate to the various levels of sport in Canada As expected the second edition of the book contains updated material including sections on two recent major developments affecting this area the Canadian Charter of Rights and Freedoms and the The Competition Act Winnipeggers who constantly hear about the dangers of the

local National Hockey League franchise moving to the United States will be interested in the book's discussion of the NHL's attempt to block the move of the St. Louis Blues to Saskatoon, Saskatchewan. Discussed under the section of the book dealing with The Competition Act, Barnes points out that the NHL argued at the federal government hearings on the situation surrounding the aborted move that the NHL had a responsibility to keep the franchise in St. Louis in recognition of the support given by fans there and that the League would take similar action to prevent a Canadian team's moving to the United States.
