capital in the twenty first century thomas piketty - Feb 13 2023

piketty's 1971 capital in the twenty first century is a translation of the original french version, translated by arthur goldhammer. it includes a foreword by the author, a new introduction, a bibliography, and an index. the book is available in english from cambridge university press. it is a comprehensive study of the history of capital and its impact on society, from the 18th century to the present day. the book argues that capital is a key factor in economic inequality, and that the concentration of wealth in the hands of a few has led to a decline in the standard of living for the majority. the book also discusses the role of capital in the global economy and its impact on the environment.

thomas piketty french economist wealth inequality expert - Sep 08 2022

thomas piketty was born on may 7, 1971, in clichy, france. he is a french economist and professor at the paris school of economics. he is best known for his book "capital in the twenty first century", published in 2013. the book argues that capital is a key factor in economic inequality and that the concentration of wealth in the hands of a few has led to a decline in the standard of living for the majority. piketty has also written several other books, including "the 21st century capitalism" and "the economics of inequality".
