Youtube Labor Day Sale Today:

Marketing Management, 3rd Edition Kumar Arun & Meenakshi N., In today's socially networked and highly competitive world it is imperative that marketers are always truthful because customers eventually find out if they have been misled. This can lead to their angst with the company going viral thereby destroying the company's reputation. Marketing Management advocates marketing based on absolute truth. Also, brand image is sensitive to market sentiments. Brands can be in danger: one wrong product or one shoddy campaign can destroy a brand built over years. Companies must align everything that they do with the core spirit of their brands. Further, when everything seems to go digital, it is important that marketers keep in mind that customers are primarily interested in their products/services. The book advocates that superior products and services will always be central to marketing. Key Features: Best Practices, Researched, implemented, and result-driven practices taken from leading companies across diverse industries throughout the world. Marketers can adopt these practices to elevate individual and organizational performance. Corporate Insights: Examples of marketing concepts being implemented by well-known Indian companies and brands. Latest moves of companies and brands as they cope with competition and environment. Case Studies: A brief case study after each chapter focusing on specific issues dealt within the chapter. Specialized Questions: Questions meant to make students ponder upon various aspects of marketing and challenge the existing paradigms. *The Wall Street Journal*, 2006 *SPIN*, 2009-04 From the concert stage to the dressing room from the recording studio to the digital realm *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews and a discerning critical ear. With dynamic photography, bold graphic design and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Rea, David K. Irving, 2010 Producing and Directing the Short Film and Video Fourth Edition is the definitive book on the subject for beginning filmmakers and students. It clearly illustrates all of the steps involved in preproduction, production, postproduction and distribution and uses a unique two-fold approach to break down filmmaking from the perspectives of both the producer and director. Extensive examples from award-winning shorts show you how to create a successful short film or video from script to final product. Plus learn from real-world advice and examples from the filmmakers themselves. Book Jacket **Memories Of May (Tarrin's Bay, #5)** Juliet Madison, 2017-05-01 They say that truth is stranger than fiction but in Tarrin's Bay she's about to find that love is stronger than time. By day single mother

Olivia Chevalier runs the family's bookstore and raises her nine year old daughter. By night she escapes into a world of fiction where there is excitement, romance and happy endings. Both of her roles are endlessly rewarding but Olivia's life has not been without challenges, hard work and disappointment. So when enigmatic travel writer Joel Foster walks into her bookstore and her life with his mantras of trying new things and taking risks, Olivia knows that nothing will change. But when a family dilemma surfaces, Olivia is compelled to enroll in Joel's writing course to tell the story of her grandmother's life. With each new day and each new page, Olivia discovers secrets about her family and truths about herself and finds herself yearning to rewrite the story she has planned and seek a life as intriguing as fiction.
