Holiday Gift Guide Fall Clearance Tips:

Homespun Memories for the Heart Karen Ehman, Kelly Hovermale, 2005-04-01 Beyond birthday parties anniversaries holidays and holy days there is the every day And while the loss of the first tooth or the first day of school may seem like normal ordinary occurrences these authors show that even just because events are enough reason to celebrate the One who gives us life each day There is spirituality behind all celebration With more than 200 inventive ideas plus Christian inspiration brief reflections and biblical examples of everyday celebrations the authors give concrete practical and tangible ways to bring that spirituality into everyday Readers will be encouraged to create their own family traditions and bring faith to life by making home a place where Christ family and friendships can be celebrated openly and often because life doesn't have to be ordinary

Research Anthology on Usage, Identity, and Impact of Social Media on Society and Culture Management Association, Information Resources, 2022-06-10 Much of the world has access to internet and social media The internet has quickly become a new hub for not only communication but also community development In most communities people develop new cultural norms and identity development through social media usage However while these new lines of communication are helpful to many challenges such as social media addiction cyberbullying and misinformation lurk on the internet and threaten forces both within and beyond the internet The Research Anthology on Usage Identity and Impact of Social Media on Society and Culture is a comprehensive resource on the impact social media has on an individual's identity formation as well as its usage within society and cultures It explores new research methodologies and findings into the behavior of users on social media as well as the effects of social media on society and culture as a whole Covering topics such as cultural diversity online deception and youth impact this major reference work is an essential resource for computer scientists online community moderators sociologists business leaders and managers marketers advertising agencies government officials libraries students and faculty of higher education researchers and academicians
