

i30/NEOS

Body Repair Manual

FOREWORD

This Body Repair Manual provides detailed repair procedures for repair of commonly damaged structural panels on the 2006 i30 / ELANTRA NEOS(FD). To aid in the information of the damaged vehicle, body construction, body dimensions, Body Panel Repair Procedure, Body Sealing Locations, Corrosion Protection, Body Modification Tools and Plastic Parts are contained herein.

The repair procedures specify locations where body members may be structurally sectioned.

All of the repair procedures have been performed on i30 / ELANTRA NEOS(FD) body shells and that is currently available in most auto body repair shops.

The repair procedures illustrated in this manual were developed to simplify body repair in order to reduce insurance costs, and indirectly, cost of ownership.

The vehicle should not be sectioned in locations other than those illustrated in this repair manual. Furthermore, these repair procedures **DO NOT** apply to any other vehicle. The individuals performing the work must assume full responsibility for the quality of their workmanship.

We believe this manual to be helpful for Hyundai dealers, and anticipate it to be effectively used for Hyundai vehicle bodies. For the services of other than collision-damaged body parts of the i30 / ELANTRA NEOS(FD), refer to the i30 / ELANTRA NEOS(FD) shop manual.

The illustrations and descriptive text in this manual were corrected at the time of printing.

It is the policy of HYUNDAI MOTOR COMPANY to continuously improve its products.

Specifications and procedures are subject to change at any time without notice.
