Chosen By The Dragon Kings Jessica Hall, Three dragon kings One Fae woman A fate she never wanted My grandmother used to tell me stories of the Chosen One the one who would save us and bind us back to our magic When I was younger I believed that what she said was true that eventually someone would be born just as the Oracle predicted Once I grew up and saw the world unfolding around me I no longer believed in salvation The chosen one seemed to be more of a prayer than a reality something for which we all prayed and needed to find hope when there wasn't any left When our ancestors turned their backs on us how were we expected to believe in this so called salvation Especially when all we witnessed was death and carnage since the great war Nothing except pain and poverty I used to believe the stories and used to pray for the mysterious fae that would rid our world of its evil Now though I see it for what it really is just a dream of hope Some out of reach fairy tale Hope is dangerous it makes you believe things will get better I stopped hanging on to hope when I witnessed firsthand that it caused nothing but heartache Tropes Triggers Dark Reverse Harem Fated Mates Enemies to Lovers Forced Proximity Brutal Possessive Dragon Mates Dubious Consent Forced Proximity Mythical Prophecies Ancient Magic Captive to Queen No Escape Fae Heroine vs Ruthless Dragon Kings **Kids!** Scott Alexander King, 2008 KIDS INDIGO CHILDREN CHEEKY MONKEYS offers an in depth profile of 5 different personality archetypes which can help parents carers health care professionals and teachers to bring out the best in all of our children It outlines tangible strategies for supporting children especially difficult or troubled kids explaining the underlying reasons for their behaviour and providing real and effective approaches to nurturing them physically emotionally and spiritually incorporating wisdom from a range of spiritual and alternative health traditions Scott and his co author have compiled a comprehensive reference manual
