Context and Text Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology *Context and Text* by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy *Context and Text* is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity

From Page to Proclamation Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshipping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration
