

How To Have an Orgasmic Birth

"Just to clarify - orgasmic birth does not necessarily mean you experience orgasm but that you birth connected to your body and your baby with feelings of ecstasy and release, as supported by normal physiology."

www.AttachFromScratch.com

When women don't have this experience, it is usually due to environmental factors and/or interventions that disrupt the process. Orgasmic birth is not a performance standard, but it is every woman's birthright!"
