A Practical Guide to Advanced Payment Management with In-House Banking Mary Loughran, Praveen Gupta, 2025-03-07

SAP's advanced payment management module is a key component of the SAP S/4HANA payment landscape. This expertly written guide provides SAP consultants, users, and IT support staff with a detailed overview of advanced payment management and the functionalities supported. Walk through the supported scenarios, review key configuration and master data, and learn some useful tips and tricks for using the advanced payment management module. Dive into the details of advanced payment management including the architecture, high-level scenarios, and product license requirements. Take a closer look at master data and configuration including clearing area, payment order, SLA routing, agreement converter, and in-house banking. Look at detailed scenarios supported by advanced payment management and in-house banking, including Payments In Name Of, Forwarding Payments In Name Of, With Routing, intercompany payments, Payments On Behalf Of, and centralized incoming payments. Learn how advanced payment management integrates with other modules. Using both SAP S/4HANA Cloud Private Edition (PCE) and Public Cloud system screenshots and example scenarios, the authors cover:

- Introduction to SAP advanced payment management
- Advanced payment management and in-house banking supported scenarios
- Configuration and master data setup in both SAP S/4HANA Cloud Private Edition (PCE) and Public Cloud
- Accounting entries, helpful apps, transaction codes, authorization objects, and security roles

Rehabilitation in health financing World Health Organization, 2024-01-16

Health financing is a core pillar of health systems and encompasses the three functions of how revenues for health are collected, pooled, and paid out to providers of health care services. It can be leveraged to pursue key universal health coverage goals of enhancing access, ensuring quality, and financial protection against catastrophic or impoverishing out-of-pocket expenditure. But knowledge on how health financing practices can be harnessed to promote the delivery of rehabilitation services is limited. This document is the first WHO resource on health financing for rehabilitation. It considers current practices for financing rehabilitation services, frames major challenges and opportunities, and offers guidance to decision makers engaged in strengthening rehabilitation within health systems.
