Ordinary Lives Extraordinary Mission John R. Wood,2012-12-15 These are difficult times for the Catholic Church and the United States of America There is only one solution to the problems we face saints Becoming a saint is a choice and we must begin choosing the saint within each of us The biggest crisis of our time is not economic health care or vocations but is an identity crisis We have forgotten our mission to become saints and forgotten our story as Catholics We must rediscover that mission and hold each other accountable to accepting responsibility for that mission We need heroic Catholicism Everything we need to accomplish our mission is in the Church but the Catholic Church is a sleeping giant It is time we wake the sleeping giant This book is a five step guide to choosing the saint within you The world doesn t need another John Paul II or Mother Teresa The world needs you Your ordinary life has an extraordinary purpose

*The Light Entrusted to You* John Wood,2018-02-10 We keep the flame of our faith alive by sharing it with others But we cannot share what we do not know and love ourselves That s why author John Wood wrote this practical inspiring primer which explains the Catholic faith in six simple and engaging lessons that can be applied to everyday life The first letters of the six lessons spell the acronym SAINTS illustrating that the Catholic faith has the power to form ordinary men and women into extraordinary Christians in other words saints Using popular movies songs stories sports and life experiences author John Wood illuminates the wisdom of Catholicism and equips us to share it with others especially our own children

The WillPower Advantage Tom Peterson,Ryan Hanning, Ph.D ,2020 Christians as well as all men and women are called to holiness and happiness but everyone struggles to take the practical steps necessary to overcome the vices that rob us of our peace and steal our joy The WillPower Advantage shows that we need to renew our minds with the truth about ourselves in order to develop the good habits we need to handle the challenges we face We are not called to be passive we are called to use our will and our strength to receive God s grace and transform the world beginning with ourselves The WillPower Advantage helps people to build the virtues they need by providing practical wisdom from ancient and contemporary sources The book includes a Spiritual Audit which identifies a person s temperament along with its strengths and weaknesses The virtues each temperament needs to work on are then presented systematically with practical tips for strengthening them
