Organic Outreach For Ordinary People Sharing Good News Naturally:

Organic Outreach for Ordinary People Kevin Harney, Kevin G. Harney, 2009 When it comes to sharing our faith we can make things more complex than they need to be Simple Evangelism offers practical ways to connect people to God's amazing love With three decades of outreach leadership Kevin Harney provides tools that free you to set fear aside and walk boldly into the adventure of evangelism [Organic Outreach Video Study](#) Kevin G. Harney, 2016-07-05 The Organic Outreach Video Study is about living the kind of life that draws people to Jesus With three decades of outreach leadership Kevin Harney provides insights and tools that will enable you to reach out to others and revitalize your evangelism [Organic Outreach for Churches](#) Kevin G. Harney, 2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church's life **No Is a Beautiful Word** Kevin G. Harney, 2019-02-12 If a person has extra time nothing to do and finds themselves looking for ways to fill their empty days this book is definitely not for them No Is a Beautiful Word is designed and crafted for people whose plate is full whose margin is thin and whose life feels overloaded They are looking for help relief and wisdom to navigate the countless options that life offers on a daily basis This book is needed by people who Go to bed with a To Do list that never seems to get totally done Kindly say Yes and secretly regret it five minutes later Feel pain and live with guilt when they have to say No Were taught that No is a dirty word Believe that saying No is a sign of weakness Feel trapped by unwise past commitments Want to say Yes to what matters most in life but are too exhausted Know that their life is out of balance and are seeking to fix it It will be valuable for Leaders who have a tough time making the hard decisions because they fear hurting someone's feelings Executives who feel over extended and pressed to the edges of their capacity Parents who feel overworked and under appreciated Students who are trying to balance the intensity of school work and their relational world Retired people who find themselves saying with subtle humor but aching regret I am more busy now than I have ever been Single people who go to bed at night exhausted because the day left no margin and offered no oasis of peace Married people who love their life but secretly dream about time to play space to relax and taking a nap No Is a Beautiful Word is designed to be read briskly

chewed on thoroughly and acted on practically The chapters are brief by intention They range from one paragraph that s right some chapters are only a few sentences long to four pages The goal of this book is give people clear concepts paint a picture of what it looks like to live out the idea and then move on to the next thought The vision is to help people learn to say No to the things that don t matter or don t matter as much so they can say Yes to the things that bring life hope peace and lasting meaning
