Government Lawrence S. Rothenberg,1992-07-31 Lawrence Rothenberg examines some of the most elusive aspects of

developing what might be called a membership theory he asks such questions as why do members join a group Who stays

and who leaves and why What is the nature of the relationships among the activists the group leaders and the rank and file

members How do these relationships shape the lobbying policies of the group How is the lobbying impact of a group related

to the nature of its membership In addition Rothenberg analyses the impact the lobbying efforts of Common Cause have had

through case studies of the Congressional vote on the MX missile system and of the agenda setting behind the campaign

finance reform bill
