Canadian Organizational Behaviour Steven Lattimore McShane, Brownstone Research Group, 2000 The 1 Canadian and only 100% Canadian authored Organizational Behaviour text has been thoroughly updated and finely tuned to reflect the continuous changes Canadian organizations face in today's business world. There's a revolution going on in the workplace. Knowledge is replacing infrastructure. Self leadership is replacing direct supervision. Networks are replacing hierarchies. Virtual teams are replacing committees. Companies are looking for employees with emotional intelligence not just technical smarts. Globalization has become the mantra of corporate survival. Co workers aren't just down the hall they're at the other end of an Internet connection. Canadian Organizational Behaviour (COB) is written with this revolution in mind.
