Data Analysis for Business, Economics, and Policy Gábor Békés, Gábor Kézdi, 2021-05-06 A comprehensive textbook on data analysis for business applied economics and public policy that uses case studies with real world data **A Glocal Town** Nicholas Tatsis, 2025-06-30 This book presents a novel theoretical and methodological approach to understanding the emerging glocal realities of sub urban space Beginning with a study of a suburb of Athens it illustrates the dynamic interaction between the local and the global charting a range of radical social changes as this locality adapts itself to processes of globalization Moving beyond the Athenian context it shows how the various traditions of suburban enclaves interact with and confront the impact of external yet pervasive elements of the global ized world for instance through the adoption of events and practices observed in societies across the globe such as Earth Day or International Holocaust Remembrance Day or the use of the global calendar as the polis transforms into a cosmopolis With explorations of this kind A Glocal Town advances a three stage interpretative scheme that enables us to frame glocality more broadly and better understand the global local interaction wherever it occurs As such it will appeal to scholars of sociology geography and urban studies interested in globalization and its interaction with the local in sub urban locales **Urban and Regional Planning and Development** Rajiv R. Thakur, Ashok K. Dutt, Sudhir K. Thakur, George M. Pomeroy, 2020-02-10 This book discusses urban planning and regional development practices in the twentieth century and ways in which they are currently being transformed It addresses questions such as What are the factors affecting planning dynamics at local regional national and global scales With the push to adopt a market paradigm in land development and infrastructure the relationship between resource management sustainable development and the role of governance has been transformed Centralized planning is giving way to privatization not only in the traditional regions but also in newly emerging regions of Asia Africa and Latin America Further attempts are being made to bring planning related decision making closer to the people who are most affected by it Presenting a collection of studies from scholars around the world and highlighting recent advances in the field the book is a valuable reference guide for those engaged in urban transformations whether as graduate students researchers practitioners or policymakers **Informationweek**, 2005 **Chase's Calendar of Events, 2011 Edition** Editors of Chase's Calendar of Events, 2010-10-18 Chase s Calendar of Events is the most comprehensive and authoritative reference available in the world on special days weeks and months Indispensable CD ROM holds all the book s 12 500 entries Unique reference in the marketplace acclaimed by the Wall Street Journal Library Journal Christian Science Monitor Los Angeles Times and the Washington Post A Cultural History of Shopping in the Modern Age Vicki Howard, Jon Stobart, 2022 In the modern consumer age that emerged after the First World War shopping became a ubiquitous cultural practice Despite its apparent universality the historicity and contingency of shopping should not be ignored its meaning was always inextricably linked to the political material and economic contexts within which it took place Gendered female for the most part shopping

continued to evoke different cultural responses embraced as liberatory by some condemned as frivolous by others Business decisions and public policies helped construct the frameworks within which new often American led shopping cultures emerged from downtown department stores to chain stores to suburban shopping malls The digital revolution in shopping that began in the last decade of the twentieth century has changed the face of cities and towns and led to the closure of many bricks and mortar stores but as this volume explores the shopper remains very much at the centre of Western capitalist societies A Cultural History of Shopping in the Modern Age presents an overview of the period with themes addressing practices and processes spaces and places shoppers and identities luxury and everyday home and family visual and literary representations reputation trust and credit and governance regulation and the state Book jacket
