Disney Plus Best:

The Cultural Legacy of Disney Robyn Muir, Emily Aguiló-Pérez, Hannah Helm, Rebecca Rowe, 2024-08-06 This book critically engages with the Walt Disney Company as a global media conglomerate as they mark their 100th year of business. It reflects on and looks forward to the past, present and future of the company and the scholarly engagement surrounding it through three key areas: Disney as a Company, Disney's Representations and Relating to Disney. Disney as a Company identifies the corporate and management cultural changes over Disney's 100 year history with contributors examining Disney's transnational media influence, changes in management strategy and Disney's recent transmedia venture. Disney's Representations features chapters critically engaging with gender, disability and iconic characters that imply cultural change. Relating to Disney embodies the crucial work examining how audiences engage with Disney with contributors exploring fashion, Disney Fandom and identity and how people engage with the space of the Parks. This edited collection explores the newer additions to the company but also reflects on the company's past over its 100 years. The chapters provide a diverse examination of the many facets of one of the most successful global media conglomerates, providing scholars, students and interested audiences a global and interdisciplinary snapshot of the Walt Disney Company at 100 years.

Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment: the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace. Exploring how Disney's acquisition of Pixar, Marvel, Lucasfilm and Fox positioned the company to launch the Disney streaming service, the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney. Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand, the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style. The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog. This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies, political economy, Disney studies, media industries and new technology.

Uncle Cheryl Thompson, 2021-03-02 From martyr to insult, how Uncle Tom has influenced two centuries of racial politics. Jackie Robinson, President Barack Obama, Supreme Court Justice Clarence Thomas, O. J. Simpson and Christopher Darden have all been accused of being an Uncle Tom during their careers. How, why and with what consequences for our society did Uncle Tom morph first into a servile old man and then to a racial epithet hurled at African American men deemed by other Black people to have betrayed their race? Uncle Tom, the eponymous figure in Harriet Beecher Stowe's sentimental anti-slavery novel *Uncle Tom's Cabin*, was a loyal Christian who died a martyr's death. But soon after the best-selling novel appeared, theatre troupes across North America and Europe

transformed Stowe's story into minstrel shows featuring white men in blackface In Uncle Cheryl Thompson traces Tom's journey from literary character to racial trope She explores how Uncle Tom came to be and exposes the relentless reworking of Uncle Tom into a nostalgic racial metaphor with the power to shape how we see Black men a distortion visible in everything from Uncle Ben and Rastus The Cream of Wheat chef to Shirley Temple and Bill Bojangles Robinson to Bill Cosby In Donald Trump's post truth America where nostalgia is used as a political tool to rewrite history Uncle makes the case for why understanding the production of racial stereotypes matters more than ever before Everything Guide Walt Disney Univ. Studios & Greater Orlando Jason Rich,2000-10-01 Learn how to save time and money while making the most out of your vacation to Orlando This updated guide features details on hotels and restaurants The Magic Kingdom Epcot Animal Kingdom MGM Universal Studios Sea World and all the rest of the area attractions Two color with illustrations throughout

The Everything Guide to Walt Disney World, Universal Studios, and Greater Orlando Jason Rich,1999 A.D. ,1975 **The Second Line** Edmond Souchon,1973 **Florida and Walt Disney World Resort in Florida** Melanie

Dakin,2005 A family travel guide to Florida including Walt Disney World Universal Theme Parks and other major attractions

George Washington on Screen Leigh Ehlers Telotte,2023-07-18 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington's character in relation to the plot *Disney's Enchanting Stories Hercules A Torch for Meg* ,1997 **Top 10 Orlando**

Richard Grula,Jim Tunstall,Cynthia Tunstall,2002 Vacationers learn all about the top ten attractions of Orlando including theme parks animal zoos and music venues in this new DK Eyewitness Travel Guide *Newsweek* ,1989 *Better Homes and Gardens* ,1998 **Once Upon an American Dream** Andrew Lainsbury,2000 Branded a cultural Chernobyl and the

tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims

that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe's love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it *Once Upon an American Dream* is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty's Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared *Once Upon an American Dream* is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about

Walt Disney World & Orlando For Dummies 2005 Michelle Snow, 2004-11-26 More visitors flock to Disney each year than to any other spot on earth with new rides and hotels sprouting up every season This complete guide helps singles and families the young and the young at heart navigate this perennially popular fantasy mecca *Walt Disney World and Orlando for Dummies* includes Full coverage of all Orlando area parks from Disney and Universal Orlando to SeaWorld and Discovery Cove Information on the latest rides and attractions including Universal's Shrek 4 D and Jimmy Neutron's Nicktoon Blast and Disney's Mission Space Savvy time saving tips on how to escape the endless lines and go straight to the major attractions Candid opinions about what's a can't miss and what's a waste of time including a child's perspective on most of the city's theme park attractions and rides An honest discussion of the pros and cons of booking accommodations inside or outside the parks **Travel Holiday** ,2002-09 **Motion Picture Herald** ,1935 *Sunset* ,2012 [Great American Vacations](#) ,1992 50 affordable health conscious trips to the country's best loved travel destinations *Frommer's?
