## **Freelance Platforms Benefits Trending:**

**The Freelance Advantage** Ant Heald, The allure of freelancing is undeniable. The promise of flexibility, control over your time and the ability to build a career around your passions is undeniably appealing. But the path to freelancing success isn't always straightforward. It requires a strategic approach, a willingness to learn and adapt, and a deep understanding of the ever-evolving gig economy. This book is your companion on that path. We will explore the key aspects of establishing a thriving freelance career from the foundational elements of identifying your niche and crafting your brand to the practicalities of marketing your services, acquiring clients and managing your finances. We'll also address the unique challenges associated with freelancing such as dealing with isolation, managing irregular income and staying motivated while working independently. Throughout this journey, we will emphasize the importance of continuous learning, building a growth mindset and cultivating a strong professional network. We believe that by embracing these principles, you can unlock your full potential as a freelancer and build a career that is both fulfilling and sustainable. This book is designed to be a practical and empowering guide for freelancers of all levels, from aspiring entrepreneurs to seasoned professionals. Whether you're just starting out or seeking to refine your existing strategies, *The Freelance Advantage* will equip you with the knowledge and confidence to achieve your freelance aspirations. Get ready to embrace the exciting world of freelancing and unlock your true potential in the gig economy.

**Neoliberalism and the Rise of Bitcoin** Michelle Trauth, 2018-09-20 Research Paper postgraduate from the year 2018 in the subject Sociology Individual Groups Society grade 75 Distinction Bournemouth University language English abstract By the end of 2017 almost everybody has heard of Bitcoin. Therefore the topic of this essay is highly relevant and aims to give an insight on Bitcoin and Blockchain technology as well as analyze the rise of Bitcoin from a socio economic viewpoint. By applying the personal enterprise concept based on the neo liberal definition from Dardot and Laval 2013 this essay will look at the correlation between the increase of neoliberalism and the rise of Bitcoin. By highlighting the sociological and financial circumstance that Bitcoin has emerged from the rise of Bitcoin can be explained. This essay will show how decentralization, the financial crisis of 2008, globalization, digitization, and the neo liberal mindset are the main factors that paved the way for Bitcoin and contributed to its development. The essay will also look at the societal changes that occurred due to digitization to demonstrate why Bitcoin and Altcoins are increasingly popular in today's network societies.
