

## Hybrid Working vs Remote Working

Mix of in-office and remote working days.

Structured office time with flexible remote options.

Easier access to spontaneous collaboration when on-site.

Some autonomy, but also depends on office days and expectations.

Moderate improvement. Office commutes still exist, but fewer days.

Requires both home and office setups.

Increase focus with dedicated days for different types of work.

### Work Location

100% location-independent, working from anywhere.

### Flexibility

Flexible work location and schedule.

### Communication & Collaboration

Requires scheduled meetings and clear communication tools.

### Employee Autonomy

Full autonomy in managing time and location (within company rules).

### Work-Life Balance

Significant work-life balance enhancement due to the removal of commuting and flexible schedules.

### Tech and Equipment

Complete home office setup required.

### Productivity

Productivity varies but can be high when supported with the right tools.
