Nature Spirits Elemental Beings Working With The Intelligence In Nature:

Nature Spirits & Elemental Beings Marko Pogacnik, 2012-06-01 Based on firsthand practical experiences of communicating with natural spirits through meditation this eye opening guide to healing the earth teaches how to work with elemental beings by describing each in detail while defining their roles within the web of life As a result of tuning in to plants trees and animals and illustrating the disrupted flow of energies within the landscape the true impact of human culture upon the harmony of the natural world is evocatively revealed Insight into related topics such as how the long suppressed Goddess culture embraces these energies to make strides toward healing the earth can set anyone with earth and landscape concerns gardeners growers designers and builders one step closer toward becoming environmental warriors **Christ Power and**

the Earth Goddess Marko Pogacnik, 2010-09 This collection of stories offers sharply different perspectives of the Fifth Gospel from the usual biblical interpretations *Psychotronics and a Biodynamic Garden* George Kuepper, 2021-04-06

Dowsing and radionics are two practices and procedures for interpreting and interacting with the natural world They nurture the processes of gardening farming and landscaping through communication with subtle levels of reality Nature spirits and other forms of intelligence in nature play major roles They can be readily contacted and nourished when we combine psychotronic methods with the traditional practices of a biodynamic approach George Kuepper describes and discusses numerous procedures that have evolved from decades of working with agricultural radionics and recent research in his biodynamic garden This guidebook to growing better food is well referenced with numerous illustrations photos tables and examples Gardeners and farmers who want to improve their plants and harvests using sustainable methods will find practical help and much food for thought here Psychotronics covers a range of modalities including dowsing and radionics that can be used to access and study the hidden reality behind our physical world It provides us with practical means for investigating navigating and even changing this reality Without a doubt psychotronics is controversial and the amount of misinformation and disinformation surrounding it is dizzying So understand that what I m presenting here is a working paradigm It will explain how I have come to understand psychotronics and how I am using it George Kuepper from the book Includes 55 illustrations diagrams and charts *Running with the Fairies* Dennis Gaffin, 2012-04-25 Running with the Fairies Towards a Transpersonal Anthropology of Religion is a unique account of the living spirituality and mysticism of fairyfolk in Ireland Fairyfolk are fairyminded people who have had direct experiences with the divine energy and appearance of fairies and fairypeople who additionally know that they have been reincarnated from the Fairy Realm While fairies have been folklore superstition or fantasy for most children and adults now for the first time in a scholarly work highly educated persons speak frankly about their religious spiritual experiences journeys and transformations in connection with these angel like spirit beings Set in academic and popular historical perspectives this first scholarly account of the Fairy Faith for over a hundred years since believer Evans Wentz s 1911 published doctoral dissertation The Fairy Faith in Celtic Countries integrates a

participatory going native anthropology with transpersonal psychology Providing extensive verbatim interviews and discussions this path breaking work recognizes the reality of nature spirit beings in a Western context Through intensive on site fieldwork the PhD cultural anthropologist author discovers describes and interviews authentic mystics aligned with these intermediary deific beings With an extensive introduction placing fairies in the context of the anthropology of religion animism mysticism and consciousness this daring ethnography considers notions of belief perception and spiritual experience and with intricate detail extends the focus of anthropological research on spirit beings which previously have been considered as locally real only in indigenous and Eastern cultures
